OK

The save button saves the current analysis data to the local indexedDB storage instance on the device.

Error:

Patient: Rogan

Patient	Date	Error	Hand
Rogan	3/17/2020 1:44PM	$5.45 \pm 3.14$ 0.15Hz	L
Rogan	3/17/2020 1:55PM	$4.13 \pm 2.39$ 0.11Hz	L

The plot button shows a table of all saved results. Typing a name in the "Patient:" box shows only results for that patient. Results can be sorted by clicking the label of each column.
